

2015 SLV Regional Science Fair – Monte Vista High School Results

Here we go folks!! After a lot of hard work and dedication (and a very supportive staff whom I would like to thank personally!), we have our HS results from this year's Regional Science Fair! I am **extremely** proud of all of them, and I would ask that you give them a high-five for the outstanding work that they accomplished! Bill Metz Elementary and MVMS also received a tremendous list of awards and recognitions, and did an amazing job representing the District! Well done to all of our Science Fair students!!

Jeremiah Etter	<i>Fields for Flight: Effects of Magnetic Fields on Butterfly Flight</i>
Cortnie Hunter	<i>Water Quality, Soils, and Biofouling of Salvage Wells on the Closed Basin Project of the San Luis Valley, Colorado</i>
Tyesha Keever	<i>Magnets and Memory</i>
Colby Self	<i>How did the Papoose Wildfire affect Timber Volume on the Rio Grande National Forest?</i>

In addition the honors listed below, Colby Self and Jeremiah Etter will represent MVHS at the Colorado Science and Engineering Fair on April 9th through 11th, 2015 at Fort Collins, Colorado!

And finally, Jeremiah Etter has qualified for the International Science and Engineering Fair to be held in Pittsburgh, PA, on May 10-15th, 2015!! ***Please wish the boys the best of luck at these Fairs!***
